LIABILITY AND MEDICAL TREATMENT

I hereby certify that I have read and agreed to the following:

GARDEN ISLAND DANCE ARTS & SCIENCE CAMP

(GIDAS) holds the safety of your child above all else. Our goal is to provide fun, exciting and rewarding learning experiences that are safe and minimize the chances of injury which may be beyond our control and ability to completely protect your child. We therefore require that you understand these risks, authorize us to provide medical care if necessary, and agree not to hold GIDAS or its representatives responsible should your child suffer any injury or illness arising from his or her participation in our program. Please read the statements carefully before signing this document.

For and in consideration of the GARDEN ISLAND DANCE ARTS & SCIENCE providing the education Program for my child identified by name and birthdate in this application, I (we), the undersigned, jointly, individually and in any representative or legal capacity, on behalf of our respective selves, heirs, executors and/or administrators, fully and forever release and discharge GIDAS, including all GIDAS employees, volunteers and agents, individually and in their official capacity from any and all liability for any injuries, illnesses (including the COVID-19 virus), losses, damages, claims, demands, lawsuits, expenses, and any other liability of any kind, of or to my child, directly or indirectly arising out of or in connection with my child's participation in any GIDAS program or activity. I further avow that my release, discharge and agreement shall be applicable to any owner of a facility and/or property at or upon which the program is held. I understand that I am solely responsible for all costs related to any medical treatment, medical transportation, and/or evacuation costs and overnight accommodations associated with the foregoing. I acknowledge that GIDAS will not provide any medical insurance coverage.

I (we) understand that during the participation of my under 18 year old child, he/she may be exposed to a variety of hazards and risks, foreseen and unforeseen, which are inherent in any program, activity or field trip that involves the use of public or private facilities or ocean-related activities (collectively, a "Program"). This program may involve, but is not limited to walking, handling invertebrates, and playing games outside. I further understand that in light of the global COVID-19 pandemic, there is a certain degree of risk associated with the participation of any activities involving other people. Having considered such risk, I hereby consent to my child's participation in such programs and activities. I understand that participation is entirely voluntary and requires my child to abide by GIDAS's rules and standards of conduct.

I further understand that there may not be medical facilities or professional medical personnel present during the conduct of a Program. I appoint GIDAS as my true and lawful attorneys, for me and in my name, place and stead and for my absence, should any medical situation occur when I am not present and where my authorization, release and/or permission is necessary or required prior to any treatment being rendered for my minor child, whether such medical treatment is deemed an emergency situation or not by the treating physician or other medical staff, hospital or other health care facility. In the event of any medical emergency, if GARDEN ISLAND DANCE ARTS SCIENCE (GIDAS) is unable to reach me or the emergency contact person specified above, using the telephone numbers provided above, I hereby authorize GIDAS to take my child to the nearest hospital or medical clinic for medical care. I also authorize the physician selected by GIDAS to provide necessary medical treatment to my child.

I authorize GIDAS to assist with the application of topical balms, including sunscreen and bug repellent, consistent with First Aid training standards. If my child has a fever, cough or other symptoms commonly associated with the COVID-19 virus, including shortness of breath, difficulty breathing, chills, muscle pain, headache, sore throat, or a loss of taste or smell, I will immediately withdraw my child from all GIDAS programs and activities. If my child is observed to have any of these symptoms, I understand that in the interest of reducing the risk of spreading the COVID-19 virus, he/she may be immediately dismissed from the GIDAS program or activity.

In consideration for my child's acceptance as a participant in a Program provided by GARDEN ISLAND DANCE ARTS SCIENCE and the services, facilities and equipment provided by GARDEN
